## It's Time For Fall Clean-Up

Fall Clean-Up is a great time to pull out those dead weeds, rake some leaves, prepare flower beds for next spring and clean up around the installations. Remember that attics are not meant for storage and need to be cleaned out. Now is the time to throw out excess and oversized items; they can be placed next to dumpsters or picked up by appointment. Hazardous waste can be dropped off at Kelley Barracks building 3320. Rakes, bags and other necessary items are available at no charge through local self-help stores. The clean-up dates for this year are: Oct. 14 to 18 for Patch and Kelley Barracks and the Stuttgart Airfield; and Oct. 21 to 25 for Panzer Kaserne and Robinson Barracks. For info call 421-2834/civ. 0711-729-2834.

## Demonstration Held In Munich

There is a planned demonstration in Munich, Germany Oct. 12 at 11 a.m. in the downtown area by the Citizens Movement Against the *Wehrmacht* Exhibition. More than 800 people are expected to participate. Neo-Nazis and right-wing extremists are expected. A counter rally of up to 10,000 people is also expected. The potential for violence exists. Americans are asked to avoid this area throughout the day.

## Beware Of Dangerous Supplements

Ephedrine Sulfate, commonly known as Ephedra, Ephedra Sinica or Ma-huang, is a common component in a number of nutritional supplements in wide use. These products are most commonly promoted for their ability to enhance metabolism with subsequent weight loss or to aid in athletic performance. When coupled with other ingredients, Ephedra could amplify its effects and increase the occurrence of medical problems.

Soldiers and commanders should be aware of the dangers of these products and understand that severe medical problems and death could result from their use or misuse. Leaders should emphasize the hazards of use of performance enhancing or fat burning nutritional supplements with their subordinates to ensure that they are aware of the risk they are taking. For info call 431-2530/civ. 07031-15530.

## PCS Briefing Scheduled

The next permanent change of station and pre-separation briefing will be Oct. 16, 1 to 2:45 p.m., Patch Barracks building 2318, room 5. Service members from all branches and civilians who are departing within the next four to six months should attend.

### **Autobahns Have Speed Limits**

Many people do not realize that the stretches of the Autobahn without speed limits still have recommended limits of 130 kilometers per hour (80.77 mph). German law also requires drivers to adjust speeds to meet road, traffic and weather conditions and to take into account the type of vehicle and load.

Drivers won't get a ticket for high speed driving on the unmarked stretches during good weather, but they are taking huge risks when they travel over the recommended limit. U.S. Army Europe safety officials stress that driving too fast for conditions, over the recommended speed limit, or beyond the vehicle's condition or tire speed rating has consequences.

### **Consular Day Offers Services**

Consular experts from the American Consulate in Frankfurt will be at the orange-colored building across from the Altes Schloss on Charlottenplatz in downtown Stuttgart Oct. 29, 2 to 4 p.m. Services include U.S. passport applications for renewals and amendments, consular reports of births abroad, notary services, immigration information, visa information and Social Security and veterans benefits information for U.S. citizens. For info call 0697-5350.

### **Make Your Vote Count**

Remember: If state ballots do not arrive by Oct. 15, voters may be able to use the Federal Write-In Absentee Ballot (FWAB, SF-186). Contact the nearest U.S. Embassy or Consulate for further information. For U.S. citizens who are not yet registered, time is running out.
